TREATMENT WITH HYLASE

For Hyaluron dissolution from € 200

Please note that if you cancel your appointment less than 24 hours before the start of the appointment, you will be charged a cancellation fee of € 100. By booking the appointment, you expressly agree that you will bear the full costs for the planned aesthetic procedure or for any other treatment, consultation or examination in the practice Lalsing Aesthetic, Arabellastr. 17, 4th floor, 81925 Munich. You are aware that the treatment or examination you have chosen does not form part of the medical care provided by an SHI-accredited physician, and that the costs will therefore not be covered or reimbursed either in part or in full by your statutory or private health insurance. You wish these voluntary treatments or examinations to be carried out on your premises. This agreement is made at your express wish and you have not been pressured into it. You will of course be informed and advised in detail by me before your treatment. You can then decide at what time the treatment should be carried out or refuse it altogether. There will be no costs for you. The costs vary according to treatment and effort. You will be informed about the final costs before the treatment. After the treatment you can pay conveniently by EC card or Visa / Maestro card in the practice. You will receive a bill according to the German Medical Fee Schedule (GOÄ) and agree that it will be calculated with a maximum factor of up to 5.
